

ADAGIO

SURFACE MATTERS OF ADAGIO

Follow these simple but important guidelines to ensure your Gerflor Adagio flooring maintains its good looks with minimal effort.

MAINTENANCE

For everyday maintenance, use a soft broom or damp mop.

CLEANING

To clean Adagio use a neutral floor cleaning detergent with water and rinse thoroughly.

STAINS

Most stains can be removed using a damp cloth and Eucalyptus Oil. Solvents and ammonia based cleaners will damage your floor. Do not use these products.

Rubber leaves indelible stains on vinyl floorings. Avoid placing waxed or rubber products in prolonged contact with your Adagio floor.

Replace wax or rubber castors on the end of furniture legs with plastic or nylon ends or protect the floor with felt pads.

GUARANTEE

Gerflor Adagio carries a 5 year manufacturers guarantee. Should you require and further information, contact Gerflor Customer Service on 1800 060 785.
